

Position: Wildlife Rehabilitator
Hours: Full time, seasonal
Dates: April to September 2012
Closing: March 16, 2012

WRA Wildlife Rescue Association of BC is recruiting for a Wildlife Rehabilitator.

This seasonal, full-time position will perform daily animal care duties as part of the wildlife care team and assist in the daily operation of the animal care facility during WRA's busiest time of year in the spring and summer months.

The ideal candidate will have the following qualifications:

- University degree or diploma in Biology or a related science and/or completion of an Animal Health Technologist program
- Strong technical and analytical skills
- Excellent organizational, time-management and record-keeping skills
- 1-2 years of wildlife rehabilitation experience, including experience with birds
- Knowledge of native wildlife in BC, particularly the Lower Mainland region
- Ability to function well in a dynamic team environment
- Excellent verbal and written communications skills
- Eager to teach others, such as volunteers and students
- Some supervisory experience
- Able to work flexible shifts, including weekends and statutory holidays

Please submit resume and cover letter to:

Linda Bakker
WRA Wildlife Rescue Association of BC
5216 Glencarin Drive
Burnaby, BC V5B 3C1
Fax: 604.524.2890
Email: linda@wildliferescue.ca (documents in Word or PDF format)

Please be advised that **only short-listed candidates will be contacted** for interviews, but WRA would like to thank all applicants in advance for their interest.
