

Position: Wildlife Rehabilitator
Hours: Full time, flexible schedule
Closing: August 15, 2009
Start date: October 1, 2009

WRA Wildlife Rescue Association of BC is recruiting for a Wildlife Rehabilitator.

This regular, full-time position performs daily animal care duties as part of the wildlife care team and assists in the daily operation of the animal care facility.

The ideal candidate will possess the following qualifications:

- University degree or college diploma in Biology or a related science, or completion of an Animal Health Technologist program, or equivalent combination of education, training and experience
- Strong technical and analytical skills
- Excellent organizational, time-management and record-keeping skills
- 1-2 years wildlife rehabilitation experience, including experience with birds
- Knowledge of native wildlife in BC, particularly the Lower Mainland region
- Ability to function well in a team environment
- Excellent verbal and written communications skills
- Eager to teach others such as volunteers and students
- Some supervisory experience
- Able to work flexible shifts, including weekends and statutory holidays

Please submit resume and cover letter to:

Lani Sheldon
Team Leader of Wildlife Rehabilitation
