

Veterinary Technician

The Wildlife Rescue Association of BC is looking for a veterinary technician to join our team!

Do you have an interest in Wildlife?

Do you want to grow your resume to include avian, reptiles and small mammal experience?

Are you looking for an employer that provides opportunities for employees to pursue their personal interests and growth?

If you answered yes to any of those questions, then we want you to apply. We are looking for a veterinary technician who is registered in BC or is willing to become registered in BC.

About the role:

This permanent, full-time position provides care for over 5,000 wildlife patients a year.

Duties include:

- Perform and oversee intake exams, medications, lab work, and daily wildlife care
- Conduct, monitor, evaluate, and report treatment plans and procedures
- Support overall operations of the wildlife hospital

Application deadline: Jan 16th 2022

Wage: \$43,680-\$50,000 a year

Benefits:

- Hands-on training
- Paid vacation
- Sick leave
- Extended medical and dental benefits
- Professional development opportunities
- Dynamic work environment
- A culture of wellness

To apply, fill out our application form at the link below (note: please submit cover letter and resume as single pdf file).
